

Sharing the Bread Thanksgiving Place Cards

Who will be sharing your bread at Thanksgiving this year? Print this sheet on cardstock or regular paper. Each image is a pilgrim hat stacked top to top. Decorate the bottom portion of the hat. Consider writing your guest's name along the brim. Cut out the hats, keeping them connected in the center. Fold the hat at the center dotted line. Fold the top and bottom flaps inwards along the dotted line. Place the cards on your holiday table. More place cards are available at CuriousCityDPW.com by searching "Thanksgiving." Now sit down at the table and please pass the bread!
