

WISHOSAURUS

In the chapter book **Finchosaurus** by Gail Donovan (Islandport Press), Finch finds a small scrap of paper buried in the garden. On the paper is one single word. Is the buried note a wish?

HOW CAN YOU MAKE A WISH AND HELP IT GROW?

WRITE your wish on the scrap of paper below.

FOLD IT up small.

BURY IT in any patch of dirt.

REMEMBER the wish.

TAKE CARE of your wish like it is a growing thing.
Give the wish your attention and kindness. It will grow!
